Locally owned and operated for 15 years, Tasman Bay Plumbing is able to help you with all your plumbing needs.

If you are in need of a plumber to fix a problem or perform routine servicing, we encourage you to call us. Tasman Bay Plumbing employs a team of experienced authorised plumbers who are trained to the highest standards and are experienced in residential and commercial plumbing. It's our job to make sure your plumbing is safe to use, works well and that you are provided with a cost-effective solution.

MAINTENANCE: Got a dripping tap, leaking toilet, no hot water or something that requires urgent attention like a burst hot water cylinder or water main, we are available anytime to take care of all maintenance issues be it at home, work or at your factory

RENOVATIONS: We love renovations. To see an old tired building or room transformed into a modern functional area provides us with a great sense of job satisfaction

We have local builders that we work in with, and can put you in contact with, so you get the whole package.

DRAINS: From small domestic drainage to large commercial we can take care of all new requirements, repairs, clearing of blockages and drain maintenance.

NEW BUILDS: One of our specialties. We are the preferred plumbing company for many of Nelsons New Home Franchises. We would love to help you with yours too.

SOLAR Hot Water: New installations of NZSolar hot water systems. We can also help you with maintenance of other brand solar systems.

UV Filters, Pump stations, Gas Califonts, New Drains etc

Call us today to discuss your needs.
