2/76 Gladstone Road

Richmond

Nelson Tasman

We supply and install Sectional Doors manufactured in Christchurch by Ace Doors. Ace Doors Classic Series offer Uninsulated Garage Doors for the more budget conscious buyer. There is also an option to add Insulation. The Classic Series range comes with a choice of three profiles and twelve standard colours. A non-standard colour or powdercoated colour is also available. Please contact us for more information on the price of this.

We offer Ace Doors Domestic Roller Doors (Series A) up to 3.3m high and 3.2m wide and Commercial Roller Doors (Series B) for up to 4m high and 4m wide in a standard colour range. These doors can be opened manually, with a Chain or Planetary Drive or be fitted with a Motor.

Ace Doors Roller Shutter Doors are Uninsulated and in sizes to suit most industrial openings. They feature many optional configurations and are available in both galvanised and powder-coat finishes.

All sectional doors come with two multi-function remotes, an Internal Wireless Wall Button and a Ace Doors belt driven motor with courtesy light and obstruction safety feature. There is an option to add an External Wireless Keypads meaning you can operate the garage door externally via a Keypad rather than carrying a remote around with you.

We can fit Motors to existing Tilta Doors and retrofit Sectional Doors to replace old, tired and squeaky Tilta Garage Doors.

UltimateCare Maintenance Program

We offer a maintenance program for the regular care of your sectional garage door in order to maintain the optimum level of operation and maximise the lifespan of the door. An annual cost of \$95 including GST covers the servicing of a sectional garage door in the Nelson/Richmond area.
